

## **Terms and conditions of use WinTree® App**

**TSD IT bv (hereinafter called TSD) grants you, after agreeing with these Terms and Conditions of use, the right to use the WinTree® App in accordance with these Terms and Conditions.**

### **Who is allowed to install and use the WinTree® App?**

The App is always connected to the database of a company that makes use of WinTree® software. A user who is connected to the company can make use of the App, if that was previously permitted by the administrator within the company. This administrator manages the authorization of the users with the administrator function in their own WinTree® environment.

### **How to make safe use of the WinTree® App?**

The App gives access to components of the administration of the company to which you are connected. Ensure that the unauthorised persons do not get access to the App. In no case should you provide your credentials such as a login name, password or any other way in which your identity can be confirmed to others. Ensure that your device is secured with at least a personal access code.

Report loss or theft of your mobile device or the suspicion of access by an unauthorised person directly to the administrator of WinTree® within your company. This administrator can block the authorisation via the WinTree® software.

Install your updates for the operating system of your mobile device in time. Updated versions of the operating system contribute to the improvement of safety and functionality.

Respect the (warranty) provisions of the manufacturer of your mobile device and follow the recommendations regarding the safe use of the device.

Make exclusive use of secured connections, for example secured WiFi or a secured mobile data network.

Make use of the updates of the App. In case, you do not use the latest version of the App, it can result into a non-functional App.

### **How do you stop the use of the WinTree® App?**

If a user is no longer in (active) service at a company that uses WinTree®, then the administrator authorised person within the company has to deactivate the user. This administrator ensures that the App is deleted from the mobile device of the (former) user.

### **How is your privacy warranted when using the WinTree® App?**

Identification data and with that also linked personal data as available on the mobile device will/can be available to TSD by making use of the App. TSD uses this data exclusively to check the identification for accessing WinTree®. Access to functionalities of the mobile device will exclusively be made to improve the working as well as the use of the App, for example the use of the camera. The App will not access personal data that is saved on the mobile device, for example contact information, unless the user gives explicit permission for this. Not granting the App sufficient privileges or revoking previous privileges may result in unexpected behaviour or malfunction.

Periodically messages can be sent to the user via the App.

TSD has the right to use data in the context of improving the App.

### About the development of the App

TSD is the developer and distributor of the WinTree® App:

Total System Development b.v.  
Schrevenweg 4  
8024 HA Zwolle  
Chamber of Commerce: 05032881

All functionalities in the App are owned by TSD, as well as the design, software functions, logos and template. When a user wants to use certain information from the App for own purposes, permission has to be given by TSD in advance.

### What do you need to know more about the user of the WinTree® App?

TSD makes the best effort to make and keep the App available for users. Despite the carefulness and attention it is not guaranteed that the App functions uninterrupted and without errors. TSD is not responsible for possible damage as a result of the insufficient functioning of the App or the wrong setup of the access rights. In all cases the use of the App is completely at the own risk of the user of the App.

TSD can at all times stop supplying of the App or alter the content, both on a collective level and an individual level.

The App can contain links to internet pages that are not under the responsibility of TSD. TSD is in no way responsible for the content and/or the functioning of these internet pages or the way the internet pages handles the personal data.

The general Terms and Conditions, the privacy statement and disclaimer of TSD apply to the use of the App. This information can be found on <https://www.tsd.nl/en/aboutTSD> or can be requested via [info@tsd.nl](mailto:info@tsd.nl).

### To conclude:

In case any provision in this Terms and Conditions of use of the WinTree® App is invalid or otherwise not enforceable, all other provisions remain in full effect. Parties will discuss a provision that approaches the scope of the invalid provision as much as possible.

These Terms and Conditions are subjected to the Dutch law. Any disputes in connection with the App or the Terms and Conditions of use will be submitted to the competent court of the Northern Netherlands District.

Possible questions, comments or complaints concerning the App can be submitted to TSD in writing via [info@tsd.nl](mailto:info@tsd.nl).
